PRESS RELEASE

September 16, 2011 –

The Duxbury Police Department, Selectmen and State Officials will recognize a local seven year old at Monday night's Selectmen's meeting. Arianna Parker called 911 in July to summon medical help for her father who was unable to speak due to his illness. Arianna was able to provide important details about her father's situation, enabling a rapid and successful response by Fire and Police Department personnel. Audio of the 911 call will be made available to the media on request.
