## Two Duxbury Men Arrested in Burglary Spree Tuesday October 14, 2014 – 4am

Duxbury Police Officers responded to the report of burglar alarm activation at a Dunkin Donuts shop in Hall's Corner at 4am Tuesday. On arrival officers found that the shop had been broken into. While investigating the break Officer James Tougas located a male subject in the area on foot. A contractor working at the nearby Foodies Market approached officers to report that the man being detained by police also entered Foodies, which was closed at the time. The man was confronted by the workers inside Foodies and fled. The investigation then identified a second suspect and uncovered a third burglary at Creative Concepts Interiors which is also located in the immediate area. Police placed the two suspects into custody. Arrested were Griffin Roche (21 YOA) and Justin Coonan (23), both of Duxbury. Both men were transported to the Duxbury Police Station for booking and were arraigned later Tuesday at the Plymouth District Court being charged with three burglaries.
