Request for Assistance Follow Up to Cyclist Hit and Run Nov 22

Duxbury Police continue to seek the operator of a older jeep similar to the image above that was involved in a Hit & Run collision with a cyclist in the 1400 block of Tremont Street (Rte 3A) in the late afternoon of Saturday November 22. The above image is from video in that area around the time of the incident and this vehicle may be the suspect vehicle. It remains possible that the operator may not be aware that there was contact with the cyclist. The cyclist then collided with a utility pole and was flown via a medical helicopter from the scene. The cyclist has since been released from a Boston hospital and is recovering at home. If anyone has information on this incident please call the Duxbury Police at 781.934.5656
