Civil Complaint Filing

Duxbury – March 30, 2021

The Duxbury Police Department has been made aware that a Civil Lawsuit has been filed at Plymouth District Court, by a Duxbury family, against a staff member of the Duxbury Public Schools. Copies of that notification were also sent to local news outlets.

In November of 2020, the Duxbury Police Department was contacted by the family who alleged abuse of their son by a member of the Duxbury Public School Staff in the early to middle 2000's. An investigation was completed by Duxbury Police Detectives and the Plymouth County District Attorney's Office was consulted. It was ultimately found that charges could not be brought forward because the alleged victim in the case was deceased.

Because of the nature of the case we can release no further information.
