Successful Search for Missing Toddler

May 13, 2017 – The Duxbury Police Department received a report this morning of a missing 2 ½ year old boy. It was reported that he wandered off from his Screenhouse Ln. home. Responding officers began an immediate search of the area. Due to the number bogs and ponds adjacent to the home, assistance from outside agencies was requested. Officers from Marshfield, Pembroke, and the State Police as well as members of the SEMLEC Search and Rescue unit and the Duxbury Fire Department responded to the scene. The searchers were joined by numerous neighbors. After about 45 minutes of searching, the child was found, unharmed, approximately a half mile away.
